

## Exercise 8

### BUILDING A GAME IN UNITY

#### Preparation

Watch the tutorial video

***Building a Game in Unity***

Online: <http://www.youtube.com/user/mitartemis>

Offline: 08\_Unity4.mp4 (available from the instructor)

Review template files

Use your Unity project files for this exercise.

#### Building a game

ALL Build your game for the web and as a standalone application.

Play the game outside Unity!

I hope you enjoyed the workshop and will continue creating educational visualizations!
