

Exercise 8

BUILDING A GAME IN UNITY

Preparation

Watch the tutorial video

Building a Game in Unity

Online: <http://www.youtube.com/user/mitartemis>

Offline: 08_Unity4.mp4 (available from the instructor)

Review template files

Use your Unity project files for this exercise.

Building a game

ALL Build your game for the web and as a standalone application.

Play the game outside Unity!

I hope you enjoyed the workshop and will continue creating educational visualizations!
